Project Location: 110 East Holly Street, Pasadena, CA

Subject: The applicant, Architectural Resources Group, has submitted a Variance for Historic Resources application requesting a 10'-3" ground floor height where a minimum of 15 feet is required. The request for relief is associated with the adaptive reuse of an eligible historic resource that is being converted from an Office, Administrative Business Professional use to a Communications Facility use. The property is zoned CD-1 AD-1 (Central District Specific Plan, Old Pasadena Subdistrict, Alcohol Density Overlay).

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15303, Class 3, New Construction or Conversion of Small Structures) and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15303 specifically exempts the conversion of small structures. The proposed project would facilitate the adaptive reuse of an existing office building as a communications facility, no expansion to the existing building is proposed.
