Mr. Rocque,

I reside at [REDACTED] (the corner of Arroyo Terrace and Orange Grove Blvd) directly across from the Neighborhood Church and Sequoyah School. I would like to echo the comments made by my neighbor William Morris regarding the requested modification to CUP #3278.

I fail to see the need to increase the student limit at Sequoyah HS at this time. The school year has just started at an intermediate level so I don't see that a significant number of students will be added until September 2024. The school still has another intermediate step to reach before it needs to ask for an increase. We would like see how this year goes now that we're in a post-pandemic mode and the church is also increasing its activities. Traffic is very heavy in the morning and afternoon at the current level.

Please consider postponing this step until there has been an opportunity to monitor the current level.

Thank you for your time.
