Mr. Rocque,
I reside at [REDACTED]. I request the city not approve the requested enrollment increase to 216 by Neighborhood Church/ Sequoyah HS until it can be determined what impact the last enrollment increase of 190 has on the neighborhood. I believe this was the intention of the hearing officer. If approval of the increased enrollment happens before the school has reached the last approved number there can't be an adequate assessment of the adverse impact to the neighborhood/neighbors.

Sequoyah has made an effort to decrease the impact to the neighborhood. But the beginning of this school year the drop off and pick up times have been chaotic and congested.

Thank you,

Janet Morris
