I have some issues with the proposed variance (V #11958) for 3890 Shadow Grove Road, Pasadena, CA 91107.

The property already has more fencing than any other property on the block. I particiipially object to allowing the fence at the front and Michillinda side of the property to be raised higher than they are already. Making those changes would make the property appear like a 'fortress' rather than a welcoming part of the rest of the block.

Thank you.
