

NOTICE OF PUBLIC HEARING
HDP #7129

Project Location: 1095 Chula Vista Place, Pasadena, CA

Subject: The applicant, Alicia Amos, on behalf of the property owner, has submitted a Hillside Development Permit requesting to allow a 661 square-foot second-story addition to an existing 2,783 single-story, single-family dwelling with an attached 406 square-foot two-car garage. The total gross floor area would increase from 3,586 square feet to 3,850 square feet. The property is zoned RS-4 HD (Single-Family Residential, 0-4 dwelling units per acre, Hillside Development Overlay District). A Hillside Development Permit is required for an addition above the first floor in the Hillside Development Overlay District. No protected trees are proposed to be removed as part of the project.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, Existing Facilities) and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15301 exempts additions to existing structures, provided the addition will not result in an increase of more than 10,000 square feet when the project is in an area where all public services and facilities are available to allow for maximum development permissible in the General Plan, and the area in which the project is located is not environmentally sensitive.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.
