I have lived at [REDACTED] for over seven years. Actually, I was born and lived my first 2 1/2 years at this address. The neighborhood has changed in a very pleasant way in my young life.

As a newly registered voter, this is my first experience Dealing with local government. It never dawned on me that used to be Big Mama's restaurant could be turned into an event location and then into a nightclub and a bar. What would be the maximum number of people who could be in Ellie right now? Is there enough parking for that number of people? As a young driver, I noticed the homeless person at the corner of Lake and Ladera. He blocks the sidewalk, and he stares at me as I turn the corner each day. I have changed my driving habits, so as not to be scared by his presence on our street. The police have been notified about him and still he persists. As a young woman, it scares me to think of the number of people not from our neighborhood who would be coming into our neighborhood, intoxicated, and loud morning, noon and night. Out of fear of the homeless guy I have changed my driving and due to intoxication I may not be able to drive to my house safely out of fear of the unknown coming into our quiet neighborhood. You can protect me and my neighborhood by denying this CUP. Please deny it for our safety.
