Dear Ms. Walker,

I'm writing to oppose the application by Trinity Church to allow parking of RV's in their parking lot. Safety has been an ongoing issue for our community as we've faced numerous trespassing violations, acts of vandalism, theft and threats of personal safety by homeless/unhoused individuals. It's a topic of regular discussion at our condo meetings. Despite our residents investing in various interventions to increase safety measures in and around our building, problems persist. There's great concern shared by many in my building (Lake@Walnut), that this project would incur increased risk for neighboring residents. I do not support this project.

Thank you,
Agnes Kim
