Good morning,

I am writing in hopes that you will oppose the proposed Safe Parking Program at Trinity Evangelical Church. My family and I reside in a building across the street from the church and fear that this will create even more safety issues in the neighborhood.

We recently attended an informational session at the church regarding a poor weather shelter. We left that session with some doubts, but generally positive about the program. While I cannot say for certain that this is the cause of any issues, my neighbors and I have noticed a general decrease in safety since its inception. I fear that this new parking program will increase crime and fear in our area even moreso.

I hope that you take this into consideration and opt to move the safe parking program elsewhere.

Thank you for your time,

Shane Lundeberg
