Hello.

I am writing to support the Safe Parking program at Trinity Lutheran Church. I have enjoyed socializing with the Safe Parkers, who have shared their experiences with me. They feel safe in the program, and welcome. They are trying to get their lives back on track, and they are very grateful for the neighbors who have supported them. They have full access to emergency services but have never needed to call upon them, because they have always been safe and secure with security cameras and drive-through patrols. Please approve the program as is. The church cannot pay for overnight guards, and might need to cancel the program. Then these folks would be back on the Pasadena residential streets. Thank you.

Blessings, Lynn Miedema
