Hello-

I am a long term owner/resident at [REDACTED] across the street from Ralph's parking lot. [REDACTED] I can't even count how many times I've called Pasadena Police Department to report a homeless in our building. Having a Salvation Army and the Church next door doesn't help with the situation. We had to hire an overnight security because of this frequent homeless population hanging out or sleeping on our property. Which of course increased our HOA dues. I along with all of the residents at this building are thoroughly tired of this homeless situation in and around our building. And I strongly object to allow the overnight parking at the Trinity Lutheran Church parking lot because I guarantee this will increase the already existing issues we're facing everyday.

Thank you.
