I'm a resident of [REDACTED] and my condo directly faces the proposed business. I have very serious concerns about K9 Loft's plans for daycare, an outdoor area and over night boarding at their facility. The potential for non-stop barking, noise, sanitation issues, safety and increased traffic and pollution are very troublesome. While I don't oppose some of the other operations of this business such as retail and grooming, this projects seems wholly inappropriate so close to a quiet, residential area.

I've never in the 11 years of living in this building opposed any proposed development in our neighborhood, but this seems like a recipe for disaster for the residents nearby. I hope the City of Pasadena will either deny this permit, or place very tight restrictions on this business and hold the owners accountable to the neighborhood around them.
