Regarding the conditional use permit for K9 Loft to relocate, I have 2 objections to what this company plans, due to its proximity to residential units.

First, the use of outdoor space is too close. Dog noise will be disruptive to units that are very close by, some less than 100 feet away.

Second, 24-hour and/or any type of late night or overnight services planned. I have significant concerns of disruptive noise, from both dogs and human activity during evening and nighttime hours. I believe this will be a routine disruption during times where most residents are sleeping.

I would ask that K9 Loft be restricted to indoor use only and to typical business hours. Without these changes, I do not support this business relocating to this location.

Thank you,

Jason Fillman
