Hello,

We are very concerned about the conditional use permit being approved for CUP#7188. Having this facility right next door to our residence would be detrimental with respect to foot traffic, animal noise, diseases etc. We do not want live animal facility as our next door neighbor where little kids live when this facility may host/sell animals. This is a residential neighborhood with some conditional office usage spaces but not for any retail facilities. Please stop granting conditional use for CUP#7188.

Thank you
Concerned Neighbor.
