To whom it may concern,

This is Laura Lai. I reside at [REDACTED]. I was made aware of the proposed plan for the building at 460 S. Arroyo Parkway for K9 Loft.

I have several concerns for this proposal. There will be a constant noise from dogs barking. There has already been a noise issue coming from the HIIT-it Gym right next to our building. The proposal also includes overnight boarding of dogs. There will be excessive noises throughout day and night. There are people who work from home. Also no one wants to be disturbed during his/her sleep.

There is a sanitation issue. This will impact all of us who live less than 100 feet away.

There is also concern about public safety.

I strongly oppose this plan that will negatively impact the welfare and quality of life for all residents in this beautiful neighborhood.
