To Whom it May Concern:

I have been a physician working in Pasadena for the last 30 years. In addition, I am a dog owner. When the situation has necessitated it and I've been required to board my dogs, K9 Loft has been my "go to" destination of choice.

They are competent, caring and efficient. Though the prospect of travel is sometimes fraught with uncertainty, I've never had to worry for a minute about the conditions of my dogs knowing they were boarded at K9.

K9 Loft provides an invaluable service both to the community and to the dog owners who reside in it.

I am a tremendous proponent of both their relocation and of their ability to continue to provide safe and secure boarding for our beloved pets.

Thank you for your consideration in this matter.

If I can provide any additional information, please do not hesitate to contact me.

Sincerely,

Mark Z Powell, MD
