Good morning,

I am emailing you in support of project, MCUP #7138 to allow shared use of two existing surface parking lots to accommodate a new restaurant at 1392 E. Washington Blvd.

We support (and are thrilled) to have Woon in our neighborhood!

My family and I live within walking distance of the East Washington Village, where Woon would be operating. It is a gem in our community and Woon would be an EXCELLENT addition.

They have a highly successful first location in Los Angeles and would bring long-term economic and community benefits to Pasadena. Have you tried their noodles? :)

Thanks for reading my email, we're hopeful that this project gets approved so we can welcome them soon!

Best,

Colleen & Casey Lavin

Dear Planning & Community Development Department,

This email is in support of Woon's conditional use parking lot for business. I understand without a parking lot, Woon would have a difficult time operating its business due to limited customer parking space, and thus, limited clientele.

I am familiar with Woon and recognize it as one of restaurants with great business practices that would only uplift the community which is a tremendous benefit to those who frequent the Washington Blvd corridor. Additionally, the Chinese food option is not easy to find in the local area, and the presence of Woon would help with diversity and inclusion.

Moreover, I work at EF Academy Pasadena which currently houses nearly 300 students and faculty members who would be robbed of having Woon in the area.

Thank you,
Victor
