

NOTICE OF PUBLIC HEARING
HDP #7113

Project Location: 1080 Riviera Drive, Pasadena, CA

Subject: The applicant, Luz Davis of Davis Property Development, has submitted a Hillside Development Permit application requesting the construction of a 125 square-foot first-story addition and 770 square-foot two-story addition to an existing 1,591 square-foot single-story, single-family residence with an existing 411 square-foot attached garage. The project is located within the RS-6-HD-1 (Single-Family Residential, 0-6 dwelling units per acre, Hillside Overlay, Upper Hastings Ranch Area) zoning district. A Hillside Development Permit is required to allow a second-story addition to an existing dwelling in the HD-1 Overlay District.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, Existing Facilities) and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15301 exempts additions to existing structures, provided the additions will not result in an increase of more than 10,000 square feet when the project is in an area where all public services and facilities are available to allow for maximum development permissible in the General Plan, and the area in which the project is located is not environmentally sensitive.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.
