5. INFORMATION ITEM

A. STUDY SESSION: NORTH LAKE SPECIFIC PLAN UPDATE

This item provided the Planning Commission and the public information related to the public realm for the North Lake Specific Plan (NLSP). Staff from the Department of Public Works (Urban Forestry and Street Maintenance Divisions) and Department of Transportation attended and presented background on their respective planning efforts for North Lake Avenue. Feedback received will inform the preparation of the proposed NLSP to be presented to the Planning Commission for review and recommendation at a future date. This was a study session only; no decision was made at this meeting.

Case Manager: David Sinclair

4. PUBLIC HEARING

A. **CONDITIONAL USE PERMIT #6926: 2915 E. COLORADO BLVD. (2914, 2926, 2932, 2940, AND 2948 E. WALNUT ST., 2929 AND 2942 NINA ST., AND 40 N. SUNNYSLOPE AVE.) – COUNCIL DISTRICT #4**

The applicant, Rusnak Pasadena, applied to establish a new auto dealership (Porsche), with incidental auto maintenance, on a site consisting of eight contiguous parcels. The project would retain the existing 13,585 sq. ft. Swanson and Peterson building (2914 E. Walnut St.) and demolish all other improvements and replace them with a 58,849 sq. ft. two-story structure for vehicle display, offices and service bays; a 4,864 sq. ft. car wash structure; and a canopy structure for vehicle display. Other on-site improvements include new parking areas for customer parking and vehicle display, landscaping, and lighting. The project would also include the vacation of the eastern terminus of Nina St., east of Sunnyslope Ave., for incorporation into the project site. The project was originally presented to the Planning Commission at a public hearing on July 27, 2022 and continued to a future date. The project requires the following applications:

- 1) Conditional Use Permit: To allow the establishment of a vehicle sales and leasing land use;
- 2) Conditional Use Permit: To allow new construction exceeding 25,000 sq. ft. in size;
- 3) Minor Variance: To allow the new canopy structure be set back 43 ft. from the corner side property line (Sunnyslope Ave.), while the setback requirement is 5 ft.; and
- 4) Street Vacation: To allow the vacation of a public street (Nina St., east of Sunnyslope Ave.) and transfer of ownership to a private owner (Rusnak Pasadena).

It was recommended that the Planning Commission, after a public hearing, recommend to the City Council the following:

- 1) Adopt the Mitigated Negative Declaration and Mitigation Monitoring and Reporting Program;
- 2) Adopt the findings and approve Conditional Use Permit #6926, with conditions of approval;
- 3) Find that the subject portion of land proposed for vacation is consistent with the General Plan Mobility Element and is unnecessary for present or prospective public use for street purposes;

- 4) Declare that the City's interest in the subject portion of land proposed for vacation is in easement dedicated for public street purposes; and that the land is not owned by the City in fee title; and that it is not subject to the provisions of Chapter 4.02, Sale of Surplus Real Property, of the Pasadena Municipal Code;
- 5) Adopt a resolution vacating the subject portion of land, in accordance with the conditions and recommendations contained in the report; and
- 6) Authorize the City Manager to execute a Condition Satisfaction Contract between the City and the applicant.
