To the Finance Committee of the City of Pasadena

Thankyou for your work in managing and monitoring the effective use of the City's budget. My thanks also go the Finance Department. As reported in today's Pasadena Now regarding Item 6 of today's agenda, the City's investment portfolio is being managed in a careful and appropriate way.

Special thanks go to Felicia Williams for bringing her wealth of expertise in government finance to this body. I wish her well as she moved to other things, and I hope that her replacement in this committee will be just as fearless in asking difficult questions about the City's financial management.

Regards

Simon Gibbons (he, him)
