My name is Tina Rios, Pasadena community stakeholder and I would lie to support the approval of item #2.

CREEC coalition has been advocating for this in the best interest of community members in moving forward with the arroyo seco master plan's intent to bring community into this area.

Thank you for your great leadership.

Kindest regards,
Tina Rios

Subject: RE: Today's discussion on the Hahamonga Watershed Park Annex Area

Dear City Council Members who sit on Pasadena's Finance Committee,

We're writing to ask you to support the Staff report's recommendation *to approve the allowable uses and characteristics of entities allowed to submit proposals for the buildings within Hahamonga Watershed Park Annex Area.*

We also urge you to direct City Staff to release a Request for Proposals for an Operator/Manager of the Annex as soon as possible.

We have observed the empty buildings in the Annex area and would be thrilled for the City to support the vision to transform it into an educational center focused on understanding, appreciating and preserving the Hahamonga Watershed and surrounding areas.

Thank you for considering this request!
