Good afternoon,
Unfortunately, I am unable to attend the meeting tonight but I wanted to express my extreme opposition to the measures being discussed at tonight's meeting. As a management company who handles properties in Pasadena for our clients, I speak for them in opposition to limiting residents being vacated from their premises.

Perhaps it is irrelevant to you, but I have had clients who have told us to stop looking for properties in Pasadena to invest in given the extreme attitudes that have prevailed recently. The housing providers should be encouraged, not discouraged, from coming to your city to do business.

Thank you.
