New Director of Public Works

Public Safety Corner

Happy Fall!

Thank you to all who attended our Town Hall last week! It was great to hear updates from our City

Manager, Chief of Police, Chief

of the Fire, Water & Power, and Traffic. You can view the meeting video [here](#). Thanks to Pasadena Unified School District for the use of Jefferson Elementary and all of the City departments that joined in with resource tables. Please **Save the Date** for our first **District 2 Block Party** planned for **Saturday, November 27**.

NEW DIRECTOR of PUBLIC WORKS

Welcome to Pasadena's New Public Works Director, Tony Olmos!

The Public Works Department maintains City streets, buildings, and vehicles; manages waste programs and services; designs and manages City capital projects; and also manages the [Citizen's Service Center](#) (have you downloaded the app?!) Tony Olmos has 28 years of

professional experience and comes to Pasadena from the City of Brea where he has served as public works director for five years. In that position, he is responsible for the overall operations of the Public Works Department,

including Administration, Refuse, Maintenance, Engineering, Fleet, Environmental Programs, and Utilities (water, sewer, and storm water). In addition, Olmos has held progressively responsible positions including city engineer, assistant director of engineering/chief engineer and public works director at the County of Orange and the Cities of Manhattan Beach, Huntington Beach, Santa Fe Springs, and Santa Ana. To learn more please click [here](#).

PUBLIC SAFETY CORNER

Pasadena Public Health Department (PPHD) joins the **Centers for Disease Control and Prevention (CDC)** in offering advice on celebrating Halloween in a lower-risk environment to help reduce the spread of COVID-19. As children under 12 years old are not yet eligible for COVID-19 vaccination and COVID-19 is still widespread in our community, precautions are highly recommended at this time. Recommendations include:

STAY SAFE! Halloween Safety Tips

- Everyone age 12 and over should get vaccinated against COVID-19. Getting vaccinated remains the single best way to protect yourself and your family against COVID-19. For more information and to register for upcoming clinics, visit the [PPHD website](#) or [MyTurn.ca.gov](#).
- Wear a face mask that fits well and covers the nose, mouth, and chin. Masks must be worn indoors in accordance with the health officer order, and should be worn outdoors in crowded situations when it's not possible to maintain 6 feet of physical distancing. **A costume mask is not a substitute for a protective mask.**
- If you are sick, or you have been in contact with someone who is sick with COVID-19 or has symptoms of COVID-19, stay home and away from others.
- Activities should take place outdoors.
- Avoid confined spaces; stay away from indoor spaces that do not allow for easy distancing of at least 6 feet between you and others.
- Stay at least 6 feet away from anyone who doesn't live with you, especially while talking, eating, drinking and singing.

- Wash or sanitize your hands often.

The City reminds residents of Halloween fire safety tips, including using battery-operated candles or glow sticks in jack-o-lanterns and keeping exits and escape routes clear of decorations. It is also a good time to make sure that all smoke alarms in your home are working.
