Thanks to the Pasadena Public Health Department and local health care partners, the City has achieved a 97.3% vaccination rate for those receiving their first dose!

PPHD has started administering the Pfizer-BioNTech COVID-19

- Ensuring children are well hydrated before and after receiving the vaccine; and
- Planning to monitor children closely after they receive the vaccine for any side effects.

PPHD will offer pediatric vaccines by appointment only for those registered through myturn.ca.gov/ (be sure to select Los Angeles– Pasadena as your County). Those needing help making an appointment can contact the Pasadena Citizen Service Center at (626) 744-7311, Monday-Friday, 8 a.m. to 4 p.m.
