## A MESSAGE FROM DISTRICT 6 COUNCILMEMBER STEVE MADISON

Linda Vista Residents,

Please anticipate more activity in the area of the Devil's Gate Reservoir with the resumption of work there.

### NOTICE:

## Devil's Gate Reservoir Restoration Project Sediment Removal to Start June 3 (CORRECTED)

LA County Public Works will resume sediment removal at Devil's Gate Reservoir on **June 3<sup>rd</sup>** and continue these operations through November. Public Works is dedicated to a community-first approach and has adopted numerous measures to keep communities safe, neighborhood streets clean and traffic impacts to a minimum. In the first year of its reservoir restoration project, the project team successfully removed more than 445,000 cubic yards of sediment—26% of its overall project goal.

To protect hikers, cyclists and workers during construction, a number of trails within the reservoir, including the tunnel to the Lower Arroyo Seco Trail, will be closed, Monday through Friday, from 7 am-5 pm. The Rose Bowl Loop and recreational trails within Hahamongna Park and along the north side of the reservoir will remain open to visitors. Please refer to the [trail closure map](#) for details.
