

A MESSAGE FROM DISTRICT 6 COUNCILMEMBER STEVE MADISON

If you missed the virtual town hall meeting on the Lower Arroyo Habitat Restoration Project, you can see it now. The Lower Arroyo Habitat Restoration Project calls for the removal of non-native species including mature trees and the replacement of native species. The project will be presented again to the Urban Forestry Commission. Comments that are sent to our office will be shared with the commission.

We have included the power point presentation by Psomas consultant Mark Blain.
