2021 U.S. Capitol Christmas Tree to Visit Rose Bowl Stadium During 2021 Tour

The "People's Tree" will make cross-country journey from California to Washington, D.C.

ARCADIA, Calif – Nov. 3, 2021 – Every year, the USDA Forest Service selects one of its 154 national forests to provide a tree to appear on the West Lawn of the U.S. Capitol building for the holiday season. The Six Rivers National Forest in partnership with nonprofit partner Choose Outdoors will bring this special gift from California to Washington, D.C. for the 2021 holiday season. The tree will make special appearances

across California, including a stop at the Rose Bowl Stadium on November 6 between 8:30 A.M. and 10:30 A.M. near the Angeles National Forest. Due to COVID-19 precautions, this will be a drive-thru event only.

Under the theme, Six Rivers, Many Peoples, One Tree, the 84' tall White Fir, nicknamed Sugar Bear, was harvested on the Six Rivers National Forest on October 24 and prepared for the 3,300-mile expedition. The journey will include a series of 25 outdoor community celebrations before being delivered to the U.S. Capitol on November 19. The Tree will then be decorated with handmade ornaments and tree skirts specially created by Californians and lit in early December.

“We are honored that the cross-country journey of the People’s Tree will make its way to the Rose Bowl Stadium, right here near the Angeles National Forest. As a California national forest, we are proud to be part of the bigger campaign to connect people from across California and throughout the country to the outdoors and their public lands.” said Jerome “Jerry” Perez, Forest Supervisor for the Angeles National Forest and San Gabriel Mountains National Monument.

The Capitol Christmas Tree is open to the public and free to all who want to enjoy while following local health guidelines. Visitors to the tree at the Rose Bowl Stadium on November 6th will also see Smokey Bear.
