

District 6 Constituents,

Our constituents have asked questions about the design for the proposed barriers of the Colorado Bridge. To provide background, we thought it would be helpful to refer you to both the Public Works website and to the video of the community meeting that was held. Although we sent notices to our newsletter recipients, we know that some people may not have been able to see it.

Feel free to share the newsletter. Let us know your thoughts.

Public Works Website:
