@ LINDA VISTA LIBRARY
& BEYOND...

We were all amazed by the images from space taken by the James Webb Space Telescope. Webb builds on the legacy of previous space-based telescopes to push the boundaries of human knowledge even further, to the formation of the first galaxies, and to the horizons of other worlds. Join us to learn more about this amazing scientific endeavor with Jared Head, Solar System Ambassador, NASA Science Solar System Exploration. To sign up, call (626) 744-7278.

 For accessibility information and requests, please contact Linda Vista Library. Providing at least 72 hours advance notice will help ensure availability.
