**Here are some Suggestions Regarding
Home Safety from Chief Perez**

1. Daily check, always keep your entry doors locked, may people don't, check windows and doors at night, make sure it is all locked
2. If you have an alarm use it, learn how to use your surveillance cameras properly, many people don't know how to use them
3. Making it appear you are home, if someone knocks say something through the door or intercom, answer phones or keep the ringer low so they can't hear it outside, believing no one is home
4. Don't leave windows where people can see into the home, don't leave valuables in visible areas
