PROTECT YOURSELF AND OTHERS FROM COVID-19

Stay 6 feet or more from others at all times.

Use a face covering while in our facility.

Stay home if you have cough, chills, diarrhea, vomiting, sore throat, fever (100° or higher), headache, muscle pain, shortness of breath, or new loss of taste or smell.

Clean your hands with soap and water or hand sanitizer often and after contact with frequently touched surfaces.

SAFER AT HOME
Stop the Spread of Coronavirus
