ARTICLE 1 - PREAMBLE

- A. This Memorandum of Understanding (“MOU”) is between the City of Pasadena, (hereinafter referred to as the “Employer” or “City”), and the International Union of Operating Engineers, Local 501, including its Subordinate Branches, AFL-CIO, (hereinafter referred to as the “Union”).
- B. It is the intent and purpose of this MOU to set forth all of the terms and conditions of employment between the parties. Any other prior or existing written understandings or agreements by the parties regarding any such matters are hereby expressly superseded or terminated in their entirety.

ARTICLE 2 - RECOGNITION

In accordance with provisions of the Charter of the City of Pasadena, the Meyers-Milias-Brown Act of the State of California and provisions of Employer-Employee Labor Relations Resolution No. 555, (hereinafter referred to as Resolution “No. 555”) the City recognizes the Union, as the majority representative for the purpose of meeting and conferring on matters of wages, hours and other terms and conditions of employment for all of its employees in certain specified classifications listed herein. Should the unit be modified in conformance with Resolution No. 555 during the duration of this MOU, such classifications will be included under the terms of this MOU. All other classes not specifically listed are excluded from representation by the Union.

ARTICLE 3 - TERM

This MOU shall be in effect from October 1, 2021 through December 31, 2022. Unless as specifically provided herein, no economic modifications to the MOU go into effect prior to the date of City Council approval of this MOU.

ARTICLE 4 - SCOPE

A. Management Rights

It is understood and agreed that the City reserves and retains all its inherent managerial rights, powers, functions and authority which the City had prior to entering into this MOU, which includes the merits, necessity, or organization of any service or activity provided by law or executive order; which includes but is not limited to the right of the City to hire, assign, direct, supervise, schedule, retain, and discipline employees; relieve employees from duties because of lack of work or funds, or under conditions where the Employer determines continued work would be inefficient or non-productive; determine services to be rendered, operations to be performed, utilization of technology, and overall budgetary matters; determine the methods, processes, means, positions, and personnel by which government operations are to be conducted; determine the overall mission of the City; maintain and improve the efficiency and effectiveness of government

operations; take any necessary actions to carry out the mission of the City in situations of emergency; and take whatever other actions may be necessary to carry out the obligations of the public not otherwise specified above; unless and only to the extent that the provisions of this MOU specifically curtail or limit such rights, powers, and authority, subject to the right of an employee to grieve the practical consequences of a City rights' decision on wages, hours and other terms and conditions of employment.

The exercise of these rights by the City does not preclude the Union from requesting to meet and confer over the impacts these decisions have on wages, hours and other terms and conditions of employment.

B. Union Activities

1. The designated Union Officers and Stewards shall be permitted to engage in contract disputes during the term of the MOU, and the adjustment of grievances of employees in the bargaining unit, subject to the limitations set forth in this MOU. Unless otherwise approved by a supervisor or except in extraordinary circumstances, these permitted activities performed during the normal employee duty time of such designated and appointed Officers and Stewards shall fall within one of the following categories:
 - a. Discuss with an employee a grievance or complaint;
 - b. Make inquiries in order to obtain relevant information related to a grievance, including discussions with supervisors, other employees or other management officials provided that such inquiry will not include the right while on City time to question visitors or non-employees of the City;
 - c. Assist employees in preparation for, or represent employees in the appeal and review steps of the grievance procedure or in arbitration;
 - d. Attend meetings with supervisors or other management officials regarding grievance adjustments, consultation or general discussion directly related to wages, hours or working conditions, and other matters mutually agreed upon; and
 - e. Prepare for meetings mutually agreed by the City and the Union.
2. Subject to the initial provisions of this MOU regarding paid time for such activities, the City agrees that duly designated Union Officers and other representatives will be allowed to meet with Management representatives during normal working hours without loss of pay. The foregoing release from normal working duties is subject, however, to the requirement that when any such designated Union Officer or representative is representing an employee,

he/she will request the permission of his/her immediate supervisor in advance of any meeting, advising the supervisor of his/her destination and when he/she expects to return. Such request will be granted by the supervisor unless work processes require the presence of the employee at that time.

Upon returning to his/her duty station, the Union Officer or representative will notify his/her supervisor. Upon arriving at the work place of the employees to be represented, the Union Officer or representative will normally be permitted to contact the employee. The represented employee also shall be required to request permission for time off in advance of any meeting. To the maximum extent possible, interviews between representatives and the employees will be held away from other employees and away from the public. If the Union official is not permitted to contact the employee at the immediate time of his arrival at the work place, the supervisor in charge will advise the Union Officer or Union Steward the reason why he/she cannot do so and the time when the employee will be available.

3. All Union activities shall be conducted in such a manner as not to disrupt the work activities of the employees involved.

C. Union Representatives

1. The City agrees to recognize and deal with an appropriate number of local Union Officers, including Union Stewards, so that each employee in the bargaining unit will have reasonable access to a Union representative. No Union Officer other than the Business Manager of the local Union or his/her representative, nor any Union Steward, regardless of when selected, shall function as such for purposes of carrying on the Union activities, until the City's Director of Human Resources has been notified in writing by the Business Manager of the local Union or his/her representative, or by an international Union or council officer of his/her selection as an Official or Union Steward. Notice of changes in the selection of Union Officials and Stewards, and their alternates, will be given whenever such changes occur.
2. The Union endorses the concept of employees utilizing the Union Steward in the employee's assigned work area; provided, that it is recognized that there may be necessary occasions when a different Union Steward or Union Officer or his/her designee from among the list of authorized representatives provided to the City, shall take over representation of the aggrieved employee. In such cases, the Union will promptly notify the department head and the City's Human Resources Department of the change.

D. New Employee Orientation

1. The City of Pasadena shall provide the Union written notice to the Chief Steward and Union Representative of all new employee orientations which include any potential Union members, whether in person or online, at least ten (10) business days prior to the

event.

2. Representatives of the Union shall be permitted to make a presentation of up to twenty (20) minutes, and present written materials, during a portion of the orientation for which attendance by the new hires is mandatory. No representative of management shall be present during the Union's presentation. Release time shall be granted for Union Stewards to participate in the new employee orientations. "New hires" shall be defined to include any employee new to the Union, including, but not limited to, through accretion or promotion/demotion.

ARTICLE 5 - BULLETIN BOARDS

- A. Space shall be provided on City bulletin boards at their present locations for Union posting of notices and bulletins of the following types:
1. Notices of Union recreational, social affairs, and related Union business news;
 2. Notices of Union elections and such pertinent campaign material as is appropriate under Union policy;
 3. Notices of Union appointments and results of Union elections;
 4. Notices of Union meetings;
 5. Union Constitution, Bylaws, and proposed amendments thereto; and
 6. Such other notices as may be mutually agreed upon by the Union and the Director of Human Resources.
- B. All materials posted on bulletin boards shall indicate the date the material was posted, the name of the organization responsible for the material, and clearly indicate the author's identity, preferably by signature by an official of the Union. It must be clearly understood that such material is not official material or endorsed by the Employer, and the material must not contain anything that would identify it as such. Copies of all information posted on any bulletin board shall be submitted to the Human Resources Department per Item 6 above at the time of their posting. The Union shall not knowingly post any false or misleading statement. In addition, no obscene or personal attacks on City management or other persons shall be placed on any bulletin board. In the event such material is posted, the City representative will so inform the Union representative, stating the basis for the objection, and such material shall be removed from the bulletin board immediately.
- C. The Union shall not post, nor authorize its members to post, any material anywhere upon the City's property except as herein provided. The City may remove or relocate any of its bulletin boards in the event of violations of this

Section or for reasons such as alterations in the physical facilities, etc., and will inform the Union whenever the City removes such bulletin boards.

- D. In consideration of the fact that certain members of this unit have their lunch hours included in their regular working schedule, the distribution of literature at the workplace of employees shall be allowed during regular working hours.

ARTICLE 6 - NON-DISCRIMINATION

The provisions of this MOU shall be applied equally to all employees and the City and the Union agree that they shall not unlawfully discriminate on any basis that is protected by law.

ARTICLE 7 - NO STRIKE

- A. The parties to this MOU recognize their mutual responsibility to provide the citizens uninterrupted municipal services; therefore, during the term of this MOU and extensions thereto mutually agreed upon for the purposes of negotiating a successor MOU, or any other reasons mutually agreed upon, the Union shall not cause or sanction strikes, picketing. Should picketing be occasioned by persons or organizations other than the Union party to this MOU, employees may not refuse to cross such picket line unless the Union specifically sanctioned, endorsed and approved such action.

- B. Impasse

In the event that the parties are unable to reach agreement at the bargaining table and reach an impasse, the parties agree and acknowledge the issue(s) in dispute can be submitted to the City Manager for processing in accordance with the Resolution of Impasses Section of the City's Resolution No. 555. In addition, the Union may also request that the impasse be submitted to a fact finding panel by complying with the provisions of the Meyers-Milias-Brown Act.

ARTICLE 8 - MODIFICATION CLAUSE

- A. Any agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall not in any manner be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by City Council.
- B. Subject matters within the scope of representation not referenced in this MOU may be met or conferred upon at any time during the term of this Agreement based on mutual consent of the parties to meet and confer on such matters.

ARTICLE 9 - SAVINGS CLAUSE

Should any part of this MOU be rendered or declared illegal or invalid by a change in the law, such invalidation shall not affect the remaining portions of this MOU.

ARTICLE 10 - SALARIES

All authorized actual time worked over eight (8) hours in any one (1) day (for employees assigned to work an eight [8] hour day), nine (9) hours per day (for employees scheduled to work a nine [9] hour day), twelve hours (12) per day (for employees scheduled to work a twelve [12] hour day) or forty (40) hours in any workweek, and all authorized actual work performed on regular days off shall be compensated at the rate of one and one-half (1½) times the employee's hourly straight-time rate, plus applicable shift differential.
- B. Hours worked which qualify as overtime per the Fair Labor Standards Act (FLSA) are paid in accordance with the FLSA.
- C. Employees may request to accrue compensatory time off (CTO) in lieu of receiving overtime compensation, and will be permitted to accrue CTO with supervisor approval. Effective in the pay period following City Council approval of this MOU, the maximum number of CTO hours which may be accrued by any continuous shift employee is one hundred (100). If a continuous shift employee accrues 100 hours of CTO, he/she cannot accrue additional CTO until he/she uses some of the hours in his/her bank. The maximum number of CTO hours which may be accrued by any non-continuous shift employee is one hundred and twenty (120). If a non-continuous shift employee accrues one hundred and twenty (120) hours of CTO, he/she cannot accrue additional CTO until he/she uses some of the hours in his/her bank.

- D. The time during which an employee may use CTO off is subject to approval by the department head or his/her designee with due regard for the wishes of the employee and the need to provide service. However, an employee wishing to use his/her accrued CTO shall provide the City with reasonable notice of such request. Reasonable notice is defined as at least two weeks (fourteen [14] calendar days). If reasonable notice is provided, the employee's request may not be denied unless it is unduly disruptive to the department to grant the request. A request to use CTO without reasonable notice may still be reasonably granted within the discretion of the supervisor or manager responsible for considering the request. If a response is not received by the employee within five (5) days of the day the scheduler receives it, it is considered granted.
- E. Any employee assigned to a work schedule with an eight (8) hour workday, including a "Relief Operator" who is assigned to work continuous hours in excess of eight (8) hours shall receive overtime for all such continuous hours in excess of eight (8) hours, even if such continuous hours worked extend into a new day.
1. Any employee assigned to a work schedule with a twelve (12) hour workday, including a "Relief Operator" who is assigned to work continuous hours in excess of twelve (12) hours shall receive overtime for all such continuous hours in excess of twelve (12) hours, even if such continuous hours worked extend into a new day.
- F. If an employee is receiving overtime pay for any hours worked, the employee may not receive additional overtime or premium rate payments for the same hours.
- G. Employees recalled to work unexpectedly outside of their regular shift shall receive pay for a minimum of two (2) hours pay at the applicable overtime rate. If an employee is scheduled in advance to work outside of normal work hours or to report early to a regular shift, no minimum payment will be required.
- H. If the eight hour shift is reinstated, the provision in the paragraph below shall apply. However, this provision does not apply while the employees are working the twelve (12) hour schedule (i.e., three [3] twelve [12] hour shifts and one [1] four [4] hour shift in the seven [7] day FLSA workweek.)
- If an employee working the entire eight (8) hour graveyard shift is held over to work the day shift and is required to work the entire eight (8) hour day shift, the day shift shall be paid at double time. If that employee works less than the entire day shift, the overtime for the hours worked will be paid at time and one half (1½).
- I. All unscheduled overtime (overtime which is identified with less than twenty-four [24] hours' notice), including call-ins and call-backs, occurring on the graveyard shift shall be compensated at two (2) times the employee's hourly straight-time rate, plus applicable shift differential.

- J. Overtime will be paid at the rate of two (2) times the employee's hourly straight-time rate for employees who are scheduled or called in to work overtime on their second (2nd) or fourth (4th) day off. For employees in the classifications of Power Plant Shift Supervisor, Power Plant Control Operators, and Power Plant Operator, while assigned to the twelve (12) hour shift, this provision shall also apply on an employee's sixth (6th) day off, if applicable.
- K. Shift or working schedules shall not be changed solely for the purpose of avoiding the payment of overtime.
- L. Time worked shall be rounded to the nearest quarter of an hour (seven (7) minutes or less, round down; eight (8) minutes or more, round up).
- M. Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification. However, in assigning overtime, management may consider special skills required to perform particular work.
- N. Overtime Meals
1. Meal Allowance - For overtime assignments, employees shall be compensated seventeen dollars (\$17.00) per meal for meal periods earned. The meal payment will be designated on the employee's timesheet and paid as a taxable benefit. This compensation is not reportable compensation under CalPERS regulations.
 2. Call-in - When employees are called from their homes to perform emergency work outside of regular work hours, they shall, if possible to do so, be given meals at intervals of approximately four (4) hours, provided, however, that in no event shall an employee be required to work more than five (5) consecutive hours without a meal. A meal allowance shall be paid for by the City at a flat rate of seventeen dollars (\$17.00) per meal.
 3. Carry-over - When an employee is required, to work two (2) hours or more beyond regular work hours, he shall be given the opportunity to secure a meal. The City shall provide the employee a meal allowance paid for by the City at a flat rate of seventeen dollars (\$17.00) per meal. Any subsequent meals shall be taken at intervals of approximately four (4) work hours but in no event shall an employee be required to work more than five (5) consecutive hours without a meal. Such subsequent meals are provided a flat rate of seventeen dollars (\$17.00) meal allowance. The intent is the City may provide the opportunity for two (2) meals to be taken and paid for at seventeen dollars (\$17.00) per meal in the case where an employee unexpectedly works eight (8) hours beyond the regular shift.
 4. Scheduled Overtime - When an employee is required to perform scheduled

overtime with less than twenty-four (24) hours' notice, they shall be provided with a meal. The City shall pay a meal allowance for the employee at a flat rate of seventeen dollars (\$17.00) per meal. If employees are provided with more than twenty-four (24) hours' notice for scheduled overtime, they shall not be provided with or reimbursed for a meal from the City.

ARTICLE 13 - VACATION

A. Vacations provided in this Section shall be taken within the time limits provided herein except when, for the efficient administration of the City, the City Manager determines that vacation leave of absence cannot be scheduled. In such event, the City Manager may authorize pay in lieu of vacation, or he/she may allow accumulation of vacation above the maximum.

B. Vacation Accrual and Maximum

Unit members accrue vacation on a per pay period basis using the following schedule:

 - i. Provisions of this Section pertaining to severance pay shall not apply to those employees whose layoff was necessitated by the City's inability to meet payroll, or to secure continued financing of projects supported by other agencies.
13. Questions on seniority status, which affect retention and are influenced by previous reclassification actions, shall be adjudicated by the Director of Human Resources.
14. When computing an employee's most recent continuous service and applicable severance payment, previous layoffs and any payments thereto will be disregarded.
15. The terms and conditions of this layoff policy will not be used as a substitute for disciplinary action against any employee.

D. Procedure

- 1. Notice: Each affected employee shall receive written notice from the City specifying the exact date when the layoff is to be effective; and at least two (2) weeks' notice shall be given.
 - a. The commencing date of the reemployment rights of the employee shall start from the effective date of layoff.
- 2. Recall List: The Human Resources Department will automatically establish

a recall list for a period of twelve (12) months.

- a. All departments where classifications exist which are on the recall list will be notified of the employee's availability.
- b. Individuals on the recall list will be appointed to vacancies for which they qualify in the department from which they were laid off, so long as any person in that class is on such a list, before any other names on any other eligible lists - promotional or open competitive - are used.

ARTICLE 29 - WORK SCHEDULES AND WORKWEEKS

- A. Work schedules are defined as an employee's normally assigned hours of the day, days per week and the employee's shift rotation schedule.
- B. The standard workweek is Monday, 12:00 a.m., through Sunday, at 11:59 p.m., except that employees may also be assigned to a workweek of Sunday at 12:00 a.m. through Saturday at 11:59 p.m. For employees assigned the 9/80 work schedule, their workweek for purposes of calculating overtime shall begin exactly four (4) hours after the start time of their eight (8) hour workday on the day of the week which constitutes their alternating regular day off. Whatever the employee's workweek is for purposes of calculating time work, the employee's regular work hours will be forty (40) hours per week.
- C. Twelve (12) Hour Work Schedule: Effective on the first day of the pay period that includes January 1, 2018, a pilot program of twelve (12) hour shifts for employees in the following classifications: Power Plant Shift Supervisor, Power Plant Control Operator and Power Plant Operator. There will be five (5) work shifts which includes one (1) relief shift. Employees (except for the relief shift) will work three (3) twelve (12) hour shifts and one (1) four (4) hour shift per seven (7) day FLSA workweek. Employees on the relief shift will be scheduled eight (8) hours a day, five (5) days a week, unless filling in for an employee on the twelve (12) hour shift. Regardless, regularly scheduled hours for the relief shift will be forty (40) hours in the defined FLSA workweek. Overtime hours will be paid according to the overtime provisions in this MOU in Article 12.
- D. Shift employees are defined as those employees assigned to a regular shift on a twenty-four (24) hour, seven (7) days per week basis.
- E. The normal work schedules showing employee's shifts, workdays and hours, shall be posted on the bulletin board at least fourteen (14) calendar days prior to their effective date.
- F. Changes in normal work schedules shall not be made arbitrarily but to meet the operational needs of the Department or for other legitimate reasons. Whenever

possible, at least ten (10) calendar days' notice will be provided to employees affected by a change in the normal work schedule. Notice of change(s) affecting individual employees shall be made as far in advance as circumstances permit.

- G. Shift employees are permitted to eat a meal during the work shift. Meal time during an employee's shift shall be taken when conditions permit and the meal shall be consumed at the employee's assigned work station.

9/80 scheduled employees are entitled to an unpaid meal period of at least thirty (30) minutes during their workday. Such employees must take their meal break, which shall commence no earlier than three (3) hours and no later than five (5) hours from the start of their workday.

- H. No employee shall leave his assigned shift until relieved unless otherwise directed by the appropriate authority.

- I. Employees assigned as "Relief Operators" will normally work on a Monday through Friday work schedule. However, "Relief Operators" may be assigned to work any forty (40) hour work schedule during the workweek.

- 1. "Relief Operators," when not actually assigned to a shift, may be assigned to a variety of Maintenance and Operational projects.

- J. During periods of major outages (of equipment) extending beyond one (1) month, Operations crew assigned to work with Maintenance crew shall be assigned the same 9/80 work schedule as Maintenance crew.

- K. Shift Trading

Employees in the classifications of Power Plant Shift Supervisor, Power Plant Control Operator and Power Plant Operator have the right to trade shifts with their colleagues within the same classification by giving three (3) calendar days' notice subject to the following conditions:

1. Both employees agree to the shift trade voluntarily.
2. A supervisor approves the shift trade. Supervisors will not unreasonably deny a trade. However, denials are not subject to being grieved.
3. The employee whose shift is worked gets credit for the shift. Thus, the employee whose shift was worked will record the time as time worked on his/her time sheet.
4. Payback of the traded shift will be the responsibility of the two employees who trade shifts and will not be monitored by the City. Traded shifts should fall in the same

calendar year. If an employee leaves the City having not paid back a shift, it shall be the responsibility of the two (2) employees to work out any pay back.

5. If an employee agrees to trade shifts with another employee and then calls in sick and/or does not work the shift, the employee who agreed to work the shift shall have his/her sick leave (or other accrued leave if sick leave bank is zero) deducted.

ARTICLE 30 - SAFETY

- A. It shall be the responsibility of the City to administer the Safety Program and to make every reasonable effort that safety rules are carried out by all employees, in order to provide and maintain a safe place of employment. It shall be the responsibility of the employees to make every reasonable effort to ensure that they act in a safe manner. The Union will cooperate by encouraging all members covered by this Agreement to perform their work in a safe manner.
- B. It is the duty of all employees covered by this Agreement, in the course of performing their assigned duties, to be alert to unsafe practices, equipment, and conditions and to report any unsafe practices or conditions to their immediate supervisor.
- C. Should a dispute arise over the application or interpretation of a safety rule, such dispute shall be resolved by use of the grievance procedure with the option for management to engage the services of a qualified safety consultant. However, nothing in this MOU shall prohibit the employee or the Union from exercising their rights to take any safety issue to the appropriate State or Federal agency, once the City has had a reasonable opportunity to correct the problem.

ARTICLE 31 - WELLNESS AND DRUGS/ALCOHOL

- A. The parties agree that the health, welfare, and safety of employees in the unit are a primary concern. Therefore, employees are encouraged to participate in Wellness programs provided by the City. Further, employees shall not report for work under the influence of drugs or alcohol, or possess alcohol or illegal substances while at work. "Under the influence of drugs or alcohol" means the excessive use of alcohol, the use of any illegal substance, or misuse of a prescribed drug in a manner and to a degree that causes impairment in the employee's work performance or the ability to use City property or City equipment safely. The parties agree to take necessary steps to fulfill these responsibilities and minimize potential dangers.
- B. Without detracting from the rights and obligations recognized above, the City and Union agree to cooperate in encouraging employees affected with the condition of alcohol or drug abuse to undergo a program directed to the objective of their rehabilitation.

- C. All employees are subject to the Alcohol and Drug Abuse Policy attached as Exhibit II to this MOU.

ARTICLE 32 - TRANSPORTATION DEMAND MANAGEMENT PROGRAM

Unit employees represented by the Union who are assigned to the power plant (which is exempted from AQMD trip reduction requirements by regulation) will not participate in the City's PRIDEshare Program. This exemption is due to all of the following: (1) continuous rotating shift operation, (2) number of unit employees (less than 50), and (3) non-use of City funded parking structures in the Civic Center area.

ARTICLE 33 - NO SMOKING

All employees must comply with the City's No Smoking Policy.

ARTICLE 34 - MILEAGE

The City will provide reimbursement to employees for use of their personal vehicle for authorized work-related travel. Such reimbursement shall be equal to the rate allowed for tax deduction by the Internal Revenue Service for employee business expenses not reimbursed for the applicable calendar year.

ARTICLE 35 - APPRENTICESHIP & TRAINING PROGRAM

- A. The City and the Southern California Operating and Maintenance Engineers Apprenticeship and Training Trust Fund ("Apprenticeship Training Trust Fund") agree to enter into a contract for apprenticeship and journeyman training. City employees enrolled in the Operating and Maintenance Engineers Apprenticeship Program ("Apprenticeship Program") will receive training and classroom instruction as specified in the Apprenticeship curriculum of the Apprenticeship Program.
- B. Each fiscal year, during which there are Apprentices working in the unit, the contract amount shall not exceed two hundred and twenty-five dollars (\$225.00) per year per journeyman based on the number of journey level Power Plant employees in the bargaining unit. In consideration, the City shall be provided with at least six (6) Apprentice training slots and as many journeyman training slots as are available, on a first come first serve basis.
- C. The parties agree that the City will determine the number of Apprentices it desires to employ.
- D. The Union will make a good faith effort to work with the City to upgrade the training program, and seek any economic support that may be available through other sources.

This MOU represents the full and complete understanding between the parties. The parties hereto have caused this MOU to be executed this day of October 25, 2021.

EXHIBIT II

ALCOHOL AND DRUG ABUSE POLICY

A. PURPOSE

It is the purpose of this policy to ensure that unit members who perform their job do so free of the effect of alcohol or any substances (whether illegal or not) eliminate substance abuse and its effects in the workplace, and to ensure that employees are in a condition to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves.

B. POLICY

It is the City's policy that employees shall not be under the influence of or in possession of alcohol or drugs while on City property, at work locations, while on duty, or before reporting for duty; shall not utilize such substances when they have a reasonable expectation of call in for duty; shall not possess, provide or sell illegal drugs to any other employee or to any person nor have their ability to work impaired as a result of the use of alcohol or any drugs substances.

While use of medically prescribed medications and drugs is not per se a violation of this policy, the employee must notify his/her supervisor, before beginning work, when taking medications or drugs (including the possible effects of taking such medication and drugs) which could foreseeably interfere with the safe and effective performance of duties or operation of equipment. In the event there is a question regarding an employee's ability to safely and effectively perform assigned duties while using such medications or drugs, clearance from a qualified physician may be required.

The City reserves the right to search, without employee consent, all areas and property in which the City maintains control or joint control with the employee, such as desks, file cabinets, City vehicles, etc., otherwise the City may notify the appropriate law enforcement agency that an employee may have illegal drugs in his/her possession or in an area not jointly or fully controlled by the City, such as lockers assigned exclusively for the employee's personal use.

Employees reasonably believed to be under the influence of alcohol or drugs (the use of alcohol or any illegal substance or use of a prescribed drug in a manner and to a degree that causes any impairment in the employee's work performance or the ability to use City property or equipment safely) shall be prevented from engaging in further work and may be ordered to submit to a drug and/or alcohol test and shall, for safety purposes be provided transportation from the work site, whether that is to a drug and/or alcohol test or if no test is administered, to the employees' residence or other similar location.

C. APPLICATION

This policy applies to all employees with the City of Pasadena. This policy applies to alcohol and to all substances, drugs, or medications, legal or illegal, which could impair an employee's ability to effectively and safely perform the functions of the job.

D. EMPLOYEE RESPONSIBILITIES

An employee must:

1. Refrain from the use of, or possession of, illegal drugs or substances while on duty or off duty;
2. Not report to work while his/her ability to perform job duties is impaired due to alcohol or drug use (whether legal or illegal);
3. Not possess or use alcohol during working hours, when there is a reasonable expectation of being called to duty, when on breaks, during meal periods or at anytime while on City property;
4. Not possess or use illegal drugs or substances or prescription drugs without a prescription;
5. Not directly or through a third party sell or provide illegal drugs or substances to any person, including any employee, while either employee or both employees are on duty or off duty;
6. Submit immediately to a urine, breath or blood test, or other test as deemed appropriate, when ordered by a supervisor or manager who has reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol;
7. Notify his/her supervisor, before beginning work, when having consumed alcohol or when taking any medications or drugs, prescription or non-prescription, which may interfere with the safe and effective performance of duties or operation of equipment;
8. Provide within twenty-four (24) hours of request or as soon as reasonably possible bona fide verification of a current valid prescription for any potentially impairing drug or medication identified when a drug screen/test is positive. The prescription must be in the employee's name; and
9. Report to the supervisor or take other appropriate action when it is believed other employees may be under the influence of drugs or alcohol or engaging in illegal drug related activities.

Employees who believe they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from the Employee Assistance Program or other resources available in the community. While the City will be supportive of those who seek help voluntarily, the City will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

E. MANAGEMENT RESPONSIBILITIES AND GUIDELINES

1. Managers and supervisors are responsible for reasonable enforcement of this policy, and for the administration of discipline as deemed appropriate.
2. Managers and supervisors may request and, if necessary, subsequently order that an employee submit to a drug and/or alcohol test when a manager or supervisor has a reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol while on the job or subject to being called. "Reasonable suspicion" is a belief based on objective facts sufficient to lead a reasonably prudent person to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform his/her job safely is reduced.

For example, any of the following, in combination, may constitute reasonable suspicion:

- a. Slurred speech;
 - b. Odor of an alcoholic beverage on breath;
 - c. Unsteady walking and movement;
 - d. An accident involving the employee and/or equipment or property where the cause may be symptomatic of suspected use;
 - e. Physical altercation;
 - f. Verbal altercation;
 - g. Unusual behavior where the cause may be symptomatic of suspected use;
 - h. Possession of alcohol or drugs; or
 - i. Information obtained from a reliable person with personal knowledge. The supervisor shall make reasonable attempts to verify or corroborate such information prior to requesting or ordering an employee to submit to a drug test.
3. Any manager or supervisor requesting or ordering an employee to submit to a drug and/or alcohol test shall document in writing the facts constituting reasonable suspicion that the employee in question is intoxicated or under the influence of drugs. Whenever possible the manager or supervisor who has the reasonable suspicion will ask a witness to observe the employee as well.
 4. If the manager or supervisor reasonably believes that an employee is under the influence, and wants to talk to the employee before sending him/her to a test, the

employee shall be advised of his/her right to representation. Upon the employee's request for representation, any interrogation or testing shall cease until representation is present, unless representation is not available within thirty (30) minutes. However, if based on the reasonable suspicion, the manager or supervisor wants to send the employee to the test without interrogating the employee, he/she may do so.

5. Any manager or supervisor encountering an employee who refuses an order to submit to a drug and/or alcohol analysis shall remind the employee that failure to comply is insubordination and will result in disciplinary action. Where there is reasonable suspicion that the employee is under the influence of alcohol or drugs, the manager or supervisor shall, for safety purposes, provide the employee transportation from the work site to the collection facility to submit to the test.
6. Managers and supervisors shall not physically search the person or employees, nor shall they search the personal possession of employees without the consent of the employee.
7. Managers and supervisors shall notify the appropriate law enforcement agency when they have reasonable suspicion to believe that an employee may have illegal drugs in his/her possession, or when the supervisor is unable to reasonable control a situation where the employee poses a potential liability to himself/herself, or others.

F. PHYSICAL EXAMINATION AND PROCEDURE

The urine, breath, blood, or other appropriate test (as determined by the lab) may test for any substances which could impair an employee's ability to effectively and safely perform the functions of his/her job, including, but not limited to, prescription medications, alcohol, heroin, cocaine, morphine and its derivatives, P.C.P., methadone, barbiturates, amphetamines, marijuana and other cannabinoids.

G. CONSEQUENCES OF FAILING DRUG AND/OR ALCOHOL ANALYSIS

1. All testing shall be conducted by a laboratory certified by the National Institute on Drug Abuse and licensed by the State of California. Such laboratory shall perform such quality measures as will ensure the accuracy of the results it reports, including split of samples.
2. A positive result with confirmation from a drug and/or alcohol analysis may result in disciplinary action, up to and including discharge.
3. If the drug screen is positive, the employee must provide within twenty-four (24) hours of request or as soon as reasonably possible bona fide verification of a valid current prescription for the drug identified in the drug screen. The prescription must be in the employee's name. If the employee does not provide

acceptable verification of a valid prescription, or if the prescription is not in the employee's name, or if the employee has not previously notified his/her supervisor, the employee will be subject to disciplinary action up to, and including discharge.

4. If an alcohol or drug test is positive for alcohol or drugs, the City shall conduct an investigation to gather all facts. The decision to discipline or discharge will be carried out in conformance with applicable discipline procedures.
5. Any employee who tests positive for drugs and/or alcohol is subject to follow-up random testing over the twelve (12) month period following the positive test. There will be at least two random follow-up tests during the twelve (12) month period.

H. CONFIDENTIALITY

Laboratory reports or test results shall not appear in an employee's general personnel folder. Information of this nature will be contained in a separate confidential medical folder that will be securely kept under the control of the Director of Human Resources. The reports or test results may be disclosed to City management on a strictly need-to-know basis and to the tested employee upon request. Disclosures, without patient consent, may also occur when: (1) the information is compelled by law or by judicial or administrative process; (2) the information has been placed at issue in a formal dispute between the Employer and employee; (3) the information is to be used in administering an employee benefit plan; and (4) the information is needed by medical personnel for the diagnosis or treatment of the patient who is unable to authorize disclosure.
