

1. Click on the website: <https://www.speedtypingonline.com/typing-test>  
*You may copy and paste the link into your browser of choice.*
2. Register to create your account
3. Click on the Test Time drop-down and select **5 minutes**.

4. Start Typing
5. At the end of the 5-minute test, your results will appear on the screen.
6. Add your name to the typing certificate.
  - a. Enter your name in the box above the Test Results Click Personalize Results.

**At this point, you can email the results to yourself or open a link to view the results.**  
**If you leave the page, you will lose the link to results and will have to retake the test.**

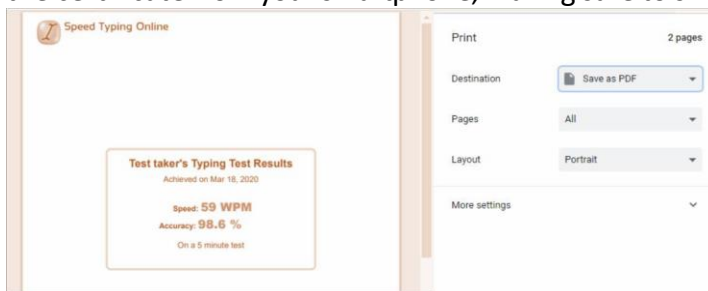

7. Click on Email Results to view your typing certificate.
  - a. Email the results to your email address to make sure you have access to the typing certificate in the future.
  - b. Check your email and the link before you close the page & skip to Step 8.

8. Click on Link to results to be taken to a page with your typing test results.

9. From the certificate page, save your certificate as a PDF. You can also take a screenshot of the certificate from your smartphone, making sure to show required information clearly.

10. In your application, attach your typing test results as a PDF or JPEG
