## **Gayla Turner presents her book, "Don't You Dare: Uncovering Lost Love"**

This compelling story weaves together a current-day journey of discovery and a true-life love story between two women that took place over 100 years ago. Newspaper headlines and stories back then didn't mention LGBTQ+ people. The LGBTQ+ community loved and lived in the background of society because it was too dangerous to do otherwise. All were hidden, just like the wedding photos belonging to author Gayla Turner's grandmother, Ruby. Sponsored by Pasadena Public Library.
