

OFFICE OF THE MAYOR

September 22, 2018

To Friends and Supporters of
the Pasadena Symphony and POPS:

On behalf of the City of Pasadena, I extend a cordial welcome to all who are gathered for the Pasadena Symphony Association's 2018 Moonlight Sonata Gala. This is a joyous occasion which celebrates and supports the Pasadena Symphony and POPS' effort to make world-class orchestral performances available in the San Gabriel Valley.

Since its inception, the Pasadena Symphony and POPS has contributed to the region through its music, community engagement and education programs. The PSA serves as a curator of instrumental music of the past, present and future with an unwavering pursuit of excellence and access.

Congratulations to this year's Luminaries: Seyfarth Shaw and Barbara Mann Steinwedell, whose longtime support has encouraged the Pasadena Symphony and POPS to flourish into the region's preeminent source for live symphonic music. Best wishes for a great event.

Sincerely,

TERRY TORNEK
Mayor
