Subject: HdL review of Cannabis

Hi Steve,

HdL was given access to the applications yesterday. Below is the schedule we are working with. Jennifer Paige remains the point of contact for internal and external inquiries. We have not released this schedule to the applicants or the public but have shared a general timeline. (Please note that I do not believe that the top applicants will be 60 – I would be surprised if there is not further separation between quality applicants).

March 11 – April 26 HdL to review applications (assumes 128 applications)

April 26 HdL to report scores and ranking

April 29 – May 3 City will examine all of the reports and scores; conference with HdL

May 6 - 10 Top applicants invited to interviews.

May 20 – 31 Applicant interviews to begin (assumes 60 interviews @ 6 per day)

June 7 HdL compiles scores and prepares final report to the City pass/fail letters. Top applicants invited to interviews.
