Subject: Update on Cultivation Applications & Awarded Licenses?

CAUTION: This email was delivered from the Internet. Do not click links or open attachments unless you know the content is safe.

To Whom It May Concern -

I was hoping to get an update on when the testing and cultivation applications may be scored and approved applicants will be announced.

The announcement on June 5, 2019 suggested the other types of licenses would be awarded within the coming weeks. I want to make sure I did not miss an announcement and would love to get a better idea of when we may expect the City to announce its initial results. Specifically I am interested in the status of Panamerican Ag Corporation's application for a cultivation license.

Please respond at your earliest convenience.

Thanks,

Brandon Dorsky
