Re: Public Records Act Request dated August 21, 2019 - #11704

Dear Mr. Truitt:

As you are aware, the City of Pasadena ("City") has retained my firm to respond to some public records act requests. The City is in receipt of your public records act request no. 11704 dated August 21, 2019, addressed to David Reyes where you request the following records:

1. Any phone records that show you [David Reyes] or your staff receiving or making phone calls regarding City of Pasadena business.
2. The number of the city extension used to make and receive city related phone calls as well as the number of any cell phone (city-owned, city subsidized or personally owned) used to conduct City of Pasadena business for the following individuals: David Reyes, Jennifer Paige, and Guille Nunez.

Category 1 above is overly broad and the City has no way of responding to this request. The City simply cannot determine which phone calls of its numerous Planning Department staff pertain to "City of Pasadena business" and which calls do not. If there are particular phone numbers that you would like the City to search for, please submit a new request to the City asking for that information as you have done so in your PRA request nos. 11638 and 11639. Also, please narrow the time frame for the specific phone records that you seek as category number 1 above could be interpreted to mean all phone records since the City's inception.

Additionally, please narrow the time frame for Category 2 as these employees have had a number of City-issued extensions over the years and we do not know the relevant time period for the City extensions that you seek. Mr. Reyes' cell phone number for his City-owned device is (626) 710-5486. Neither Ms. Paige nor Ms. Nunez have a City-owned cell phone. The City will not be disclosing the personal cell phone numbers of Mr. Reyes, Ms. Paige or Ms. Nunez pursuant to Government Code section 6254.3 which provides that "[t]he home addresses, home telephone numbers, personal cellular telephone numbers, and birth dates of all

employees of a public agency shall not be deemed to be public records and shall not be open to public inspection. . . “

Thank you.

Very truly yours,
