Re: Public Records Act Request # 11715

Dear Mr. Truitt:

As you are aware, the City of Pasadena ("City") has retained our firm to respond to Public Records Act requests. The City is in receipt of your public records act request dated Friday, August 23, 2019 seeking the following categories of information:

- "1) Please provide a printout of the PBX records (Call Detail Inquiry) for all city extensions assigned to Jennifer Paige for the period beginning September 1, 2018 through the date of production.
- 2) Please provide a printout of the PBX records (Call Detail Inquiry) for all city extensions assigned to David Reyes for the period beginning September 1, 2018 through the date of production.
- 3) For any cell phone used by Jennifer Paige used to sometimes conduct city business, any text messages or records of calls to or from the following numbers:
626-356-4801
626-487-6713
310-409-5417
818-307-3939
818-997-7949
310-375-1821
480-536-5637
760-671-5647."

There are no public documents responsive to category number 3. The City needs more time to review and gather the documents that are potentially responsive to category numbers 1 and 2. If there are any documents responsive to this request, the City anticipates producing these documents to you on or about September 16, 2019. At that time, the City will inform you as to whether it is relying upon any exemptions to withhold the production of any documents

responsive to request numbers 1 and 2.

Thank you.

Very truly yours,
