Subject: RE: CA Public Records Act Requests for Cannabis Applications and Related Records

CAUTION: This email was delivered from the Internet. Do not click links or open attachments unless you know the content is safe.

To whom it may concern:

Under the California Public Records Act § 6250 et seq., I am requesting an opportunity to inspect or obtain copies of public records of all top scoring Cannabis Applicants that have been submitted to the City during the year 2019. Specifically, the cannabis business license screening application.

This information is not being sought for commercial purposes. The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Best regards,
Amber Norwood
