Subject: Pasadena Cannabis Applications Scoring Results

CAUTION: This email was delivered from the Internet. Do not click links or open attachments unless you know the content is safe.

Hello,

Our firm represents two clients who submitted applications for cannabis licensing for the city of Pasadena. I understand interviews for the next round in the process are taking place this month. I would like to follow up on whether the applicants, Roses are Green, and The Pinnacle have moved forward and when scoring results will be administered to the applicants?

Thank you,

Jenna
