Notice of Intent to Adopt a Negative Declaration

Pasadena Climate Action Plan

ZONING: Various

GENERAL PLAN DESIGNATION: Various

PROJECT DESCRIPTION: The Pasadena Climate Action Plan (CAP) is a long-range qualified greenhouse gas (GHG) reduction plan that provides a strategy to reduce GHG emissions from community-wide activities and municipal operations in Pasadena to support the State's efforts under EO S-3-05, AB 32, and SB 32. The CAP builds on the goals and policies of the General Plan and complements the State's objectives to address climate change. Specifically, the CAP identifies climate action measures and implementation actions to reduce GHG emissions to achieve the following reduction goals: 27 percent below 2009 levels by 2020 (equivalent to 14 percent below 1990 levels, exceeding AB 32 target), 49 percent below 2009 levels by 2030 (equivalent to 40 percent below 1990 levels, consistent with SB 32), 59 percent below 2009 levels by 2035 (equivalent to 52 percent below 1990 levels), and 83 percent below 2009 levels by 2050 (equivalent to 80 percent below 1990 levels, consistent with EO S-3-05).

PROJECT LOCATION: The proposed project applies citywide and would encompass all areas within the city limits.

ENVIRONMENTAL DETERMINATION: An initial environmental study was prepared and concluded that the proposed project could not have a significant effect on the environment and therefore, a Negative Declaration has been prepared.

PUBLIC REVIEW PERIOD: Comments on the Initial Study and Negative Declaration may be received in writing between Thursday, December 28, 2017 and Saturday, February 10, 2018 and orally at public hearings or meetings considering these documents. Written documents should be sent to the address provided below. Any interested party or their representative may appear at the meeting and comment on the project. If you wish to challenge this matter in court you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or written correspondence delivered to the hearing body, at or prior to the public hearing. The Initial Study, and proposed Negative Declaration may be viewed on the City's environmental notices webpage at ww5.cityofpasadena.net/planning/category/environmental-notice/. The documents are also available during regular business hours at the City of Pasadena, Planning Department, 175 N. Garfield Avenue, Pasadena 91101, at the Office of the City Clerk, 100 N. Garfield Avenue, Room S228, Pasadena CA 91101, and at the Pasadena Central Library, 285 E. Walnut Avenue, Pasadena CA 91101.

Mailing Address:

Planning & Community Development Department

Planning Division, Community Planning Section

175 North Garfield Avenue, Pasadena, CA 91101

HAZARDOUS MATERIALS: In accordance with Section 15072 of the State CEQA Guidelines, the Draft Initial Study also found that the project site may have sites that are listed on the hazardous materials or waste databases pursuant to Section 65962.5 of the Government Code. However, the proposed project would not entitle or fund any specific projects and individual development projects that could occur under the Pasadena Climate Action Plan would be reviewed on a case by case basis with regards to Government Code Section 65962.5.

ADA: In compliance with the American with Disabilities Act (ADA) of 1990, listening assistive devices are available with a 24-hour advance notice. Please call (626) 744-4009 or (626) 744-4371 (TDD) to request use of a listening device. Language translation services are available for this meeting by calling (626) 744-4009 at least 48 hours in advance.
