Planning Director Reyes:

I am seeking any phone records that show you or your staff receiving or making phone calls regarding City of Pasadena business.

Please provide the number of the city extension used to make and receive city related phone calls as well as the number of any cell phone (city-owned, city subsidized or personally owned) used to conduct City of Pasadena business for the following individuals:

David Reyes  
Jennifer Paige  
Guille Nunez

Under California law, the City is required to assist me in making focused and effective public record act requests (Gov. Code Section 6253.1; Community Youth Athletic Center v. City of National City (2013) 220 Cal. App.4th 1385, 1417).

Please answer my questions so that I may make focused and effective public record act requests regarding this matter.
