Hello Ms. Nunez,

How does the city define "transfer of commercial cannabis permit" within the meaning of PMC 5.78.110?
Does the city consider the commercial cannabis permit transferred if someone wants to invest into the entity to which the commercial cannabis permit is registered?
Does the city consider the commercial cannabis permit transferred if the commercial cannabis permittee takes on a new partner?
Does the city consider the commercial cannabis permit transferred if the commercial cannabis permittee sells 51% or more of its ownership interest in the entity to which the commercial cannabis permit is registered?

Respectfully,

Lance Washington
