Guille – In 17.50.066, where it states “No retailer shall be established or located within 600 feet, measured from the nearest property lines of each of the affected parcels, of any existing residential zone”, is that limited to the City’s boundaries, i.e., only residential zones in the City of Pasadena. Or, does any include neighboring cities that have residential zones bordering Pasadena?

Subject: Update on the Commercial Cannabis Application Process - City of Pasadena

Dear Interested Persons,

You are receiving this email because you expressed interest in receiving updates on the commercial cannabis application process. This email is to notify you of the following:

1. Numerous additional questions have been received regarding the application process. Responses to recent questions are available [here](#). This document has also been posted on the City's [commercial cannabis website](#) and is titled 'Questions & Responses (Part 4)'.

Respectfully,

Guille Nuñez | Management Analyst IV (Concierge)

Hale Building, 175 N. Garfield Avenue | Pasadena, CA 91101
