Re: Public Records Act Request dated August 5, 2019 - # 11586

Dear Mr. Truitt:

As you are aware, the City of Pasadena ("City") has retained our firm to respond to some Public Records Act requests. I write as a follow-up from my August 15, 2019 and August 29, 2019 correspondences regarding the above-referenced Public Records Act where you requested:

"1) All currently operative engagement letters between the City of Pasadena and Richards Watson Gershon.

2) Copies of all documents (including but not limited to emails, correspondence, meeting notes but other than CUP applications which are the subject of a separate request) sent to or received from Integral Associates Dena, LLC or any person or entity representing itself as acting on Integral Associates Dena, LLC's behalf.

3) Please provide copies of all contracts, emails and any other documents reflecting communications between the City of Pasadena and HDL."

The City previously produced documents responsive to categories 1 and 3 above. The City is still in the process of gathering and reviewing documents reflecting communications between the City of Pasadena and HDL and anticipates that it will begin producing documents responsive to this request on or about September 13, 2019. At the time that we dispatch responsive documents to category 3, we will advise as to the exemptions that we are relying upon, if any, to withhold production of documents.

Enclosed are documents responsive to category 2 above. There are still additional documents responsive to category 2 that we need to review, but we have now shifted our priority to reviewing documents responsive to category 3, pursuant to your request. Once the City has produced all documents responsive to category 3 above, as well as the following documents

from PRA 11448: all emails to and from Guille Nunez (category 4) and all emails to and from Richard McDonald (category 8) from November 1, 2018 through the date of production, we will complete our review of documents responsive to category 2 above, and produce any additional documents to you.

Thank you.

Very truly yours,

Maricela E. Marroquin
