Hi Martin,

We will call you when the documents are ready and staff is available, but certainly before noon to view the TPAs and certificates.

I will still be coming in tomorrow at 8 am to view the mapping documents and land surveyor certificates (if any) for both Harvest and Sweetflower.

Additionally, I would like to view the Taxpayer Protection Amendment disclosures filed as part of the CUP applications for both Harvest and Sweetflower which are one page forms that should be easy to produce for inspection because those forms do not contain any information that needs to be redacted.

Thank you,

Martin Truitt
