Hello,

This is Guillermo Asper from Panamerican Ag Corp. I have not had any news for the passed couple months.

Could you please update me on news of progress regarding the Cannabis Cultivation license.

The not knowing is difficult, I was given the time frame of late June and it's been a entire month passed it and no news whatsoever.

Please give me an idea of how much longer I'm gonna have to wait for an answer.

I fulfilled my deadlines ,now I expect reciprocity as a testament to your integrity.

Thank you.

Guillermo Asper
