I wish to physically inspect the hard copy CUP application filed by Integral Associates Dena, LLC on July 9.

It is important that I be allowed to physically inspect this document (a copy of which I have been requesting since July 11) in order to adequately participate in the Board of Zoning Appeals meeting on August 7.

Denying me a copy of this document and the right to physically inspect it is violating my California Constitutional Right to participate in a public process.

Reproduced below is an email I received from Elidia Gonzalez on July 22 promising these documents would be available by today:

**Dear: Martin Truitt**

**We have received your request for information on PRA 0011448 and PRA 0011470.  
We need additional time to search for the records you requested. The records will be available on 8/5/19 or sooner.**

**Please let me know if I can be of further assistance.**
