THE GOVERNOR'S OFFICE AND AN ANONYMOUS DONOR ADD \$55,000 TO REWARD FOR INFORMATION RELATED TO IRAN MORENO'S HOMICIDE

PASADENA, CA – An anonymous donor recently added \$5,000 to the City of Pasadena's \$10,000 reward for information that leads to the arrest and conviction of the suspect(s) responsible for the tragic murder of 13-year old Iran Moreno on November 20, 2021 while he played video games in his bedroom.

Today, Governor Newsom's office announced an additional \$50,000 reward is being offered from the State of California to assist in this investigation and will be included with the Los Angeles County Board of Supervisors' \$20,000 reward amount that was approved last November. The total reward amount currently stands \$85,000

Pasadena Police Department Homicide Detectives have exhausted all leads into this senseless act of violence and are hoping this reward money will motivate anyone with crucial information about this murder to come forward. Often, information gathered from the public during investigations has proven to be instrumental in helping law enforcement bring those responsible to justice on

behalf of all victims. Police Detectives are encouraged by both the reward monies provided by the Governor's office and community member's anonymous donation.
