ASSET FORFEITURE MONEY FOR COMMUNITY REINVESTMENT GRANT AVAILABLE FOR FISCAL YEAR 2022-2023

PASADENA, Calif. – The Pasadena Police Department is once again committed to providing the availability of asset forfeiture funds for appropriation to community based non-profit organizations (501(c)(3) or (4)) whose stated missions are supportive of and consistent with a law enforcement effort, policy, and/or initiative.

The purpose of the Department of Justice Equitable Sharing Program allows law enforcement agencies to provide support for non-profit organizations who focus on neighborhood safety, promote crime prevention, provide drug abuse education and offer drug abuse prevention services.

This is accomplished by offering funding to non-profit organizations which have developed specific projects to address these areas of concern. The Pasadena Police Department's Asset Forfeiture Community Reinvestment Grant program is a critical component of the police department's support for the neighborhoods that we protect and serve. This year, we are committed to awarding one qualifying recipient for the maximum allowable amount of \$25,000.

For additional information, eligibility requirements and access to the Community Reinvestment Grant application, click the following link:
